USEUCOM

Experimentation Activities
Key Results

EUCOM CD&E

Event / Activity Description

Shaping Operations: JOC:

Stability Operations: (Conplan 4242)

Establishment & Transition of one GCC becoming two GCCs: How will we manage the seams?

Key Objectives / Warfighter Challenges

- **TSC Reform**
- **Joint Interagency & Multinational Coordination**
- **Analyze and refine organizational and operational concepts related to an Multinational Interagency Group (MNIG)**

Participants:

Key Findings:

- We can't do the discovery experimentation alone. Bring in JFCOM and other organizations (Interagency) to help support and develop the learning.
